Dear Cathy:

In honor of the 2nd anniversary of our lab Macy joining our family, please accept the attached donation. Hopefully, it will help continue the wonderful work you do.

Macy (formerly known as Raleigh) is such a great dog and an important part of our family. We're grateful to have found her through Labs4Rescue. She brings joy and laughter to our lives everyday. It was 2 years ago, on December 18th that we picked her up and brought her home. She instantly fit right in with our family and made herself at home. We can't thank you enough for bringing her to us!

Warm regards and happy holidays,

Sheri Astrom
