

Dear Labs 4 Rescue,
I am so very happy
in my new home.
My new parents
love me so much
& I love them.
Everyone who meets
me is amazed at
how well I am adjusting
to my new home. I went
to PetCo for my first bath
& to the vet for my first
visit & smothered him
with kisses. He liked that!
I also kissed a Greyhound
in the waiting room.
Mom & Dad are so very
happy they have me -
they said I am the
most loving, affectionate
- dog they have ever known.
She will send internet pics.
love & licks,
Madison xoxo
