

April 1<sup>st</sup> 2006. The picture on the front of this card is one we refer to as "the car ride home". Whenever we see it, instantly we are brought back to April 1<sup>st</sup> 2006; the day we brought our Siana home.

I will never forget the day I saw her face on Petfinder, and how I knew immediately that she was "my dog". She is not only our dog, but the heart of our home. Siana is our first dog. And my, how lucky we are. She is the kindest, gentlest, happiest dog with a love of family, "cookies", and fetch. Her foster, April, described her as a "velcro dog"—one that loves to be with her person. We love being with her, too. Siana has renewed our love for animals and intensified our desire to save them.

On September 27<sup>th</sup> 2008, we are getting married. Please accept our donation to honor our sweet Labs 4 Rescue lab, Siana who was rescued in March of 2006. In lieu of traditional wedding favors, we decided to make a donation to something very close to our hearts. We are forever grateful to Labs 4 Rescue and the amazing volunteers on the front line who saved our sweet Siana, which led her to our hearts & home. Our hope is that our donation will bring this indescribable love into other people's & other dogs' lives.

Very Sincerely ~
