

Our
Many
Thanks

Courtney & Connecticutlabs4rescue

Just wanted to drop you a note to thank you, for your part in bringing Smith, (who we now call Jake - he seems to be taking to it pretty well), into our lives. I cannot begin to tell you how much we LOVE this dog!!!!!! In this short time, he already has filled the void in our hearts more than we could have imagined. He is doing GREAT & he is such a GOOD BOY! We could not have asked for a better dog. He is awesome with our girls, they are having sooooo much fun with him, & spoil him as much as my husband and I do.

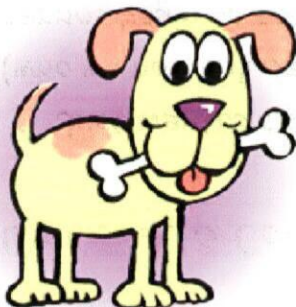

Working with your organization, was a complete pleasure. In a few short days after filling out an application, we had this amazing new member of the family. You guys may think that your providing a service to these puppies, dogs, strays etc. But in reality it is so much more than that. what you are doing for people, and families is immeasurable. please know that you have completed our family, and for that we are forever grateful!!!!!!

Courtney, I've obviously never met you in person, but you made me feel

completley at ease, and you are great at what you do,- I swear it feels like you hand picked this pup for us, that is how great of a match it is, we feel like we've had him forever, & could not imagine life without him! Thank you from the bottom of our hearts.

Our experience with labs4rescue was so great, in fact, that my husband & I have already discussed adopting another dog sometime in the future, of course from Connecticutlabs4rescue. We would highly recommend your organization to anyone looking to adopt a dog.

As you can see, our handsome boy grace's the cover of this card, I'll be sure to send more pictures in the future as he grows.

Our Many, Many Thanks!!!!!!
